### TRANSPORTATION AGREEMENT

This Transportation Agreement is entered into between the Service Provider/School and the Parent/Guardian for pick-up and/or drop-off services. Transportation services are provided on a weekly basis for a fee of \$25 per week, and payment is required in advance each week.

A late fee will be applied if payment is not received by the start of the service week. If payment and any applicable late fees are not received, and no prior arrangements have been made, transportation services will be considered declined for that week and will not be provided.
